

RESOURCE CONSERVATION DISTRICT OF MONTEREY COUNTY PRESENTS

**APR 4
2024**

STEWARDSHIP BENEFIT BBQ

**5-7³⁰
PM**

2004 Fairground Rd, Monterey, CA (Monterey Room)

Join us for our stewardship barbecue to celebrate and benefit our collaborative work to build Monterey County's abundance, vitality and safety!

The RCDMC and a host of private and public partners are committed stewards of the waters, lands, and wildlife that make our county beautiful. Our multiple-benefit conservation projects throughout Monterey County's wild and working lands, parks and waterways protect our local communities, agriculture, and environment.

Funds raised at this event help support our project advancement and community education efforts. Guests will enjoy locally-renowned BBQ, local wine, beer, cheeses, fruits and veggies and participate in our silent and live auction! The program will include a brief celebration of this year's partners, accomplishments and challenges.
